Online learning

Online Teaching & Learning Plan

Microsoft Teams

01

Ipads

All students and teachers have their own ipads

Teachers will communicate via Microsoft teams

02

03

Online learning will start at 08:40

Students should login to the Teams App and work will be set according to the timetable

Face to Face

Some online learning will take place during face to face MS Teams calls

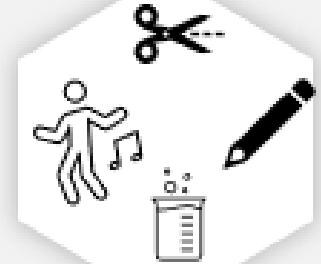

04

Connect & Extend Learning

Each teacher will set work that is suitable for their subject so the activities will look different, they will connect and extend school-based learning

05

Teachers will...

IN ORDER TO GROW & LEARN STUDENTS SHOULD ...

Be ready to learn

Login at 08:40 each morning Monday to Friday

Check your Teams App for work

Check each class team you have on your timetable that day

Follow instructions given by teachers and complete the activities

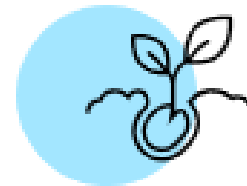

Communicate

Ask questions when you need help

Use the chat feature in teams

Let us know when there is a problem

Turn camera on during live lessons

Work Hard

Do your best

Teachers will let you know what is good about your work and what needs extra practice

Exercise during the day

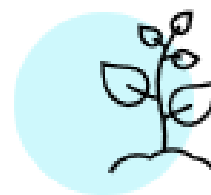

Walk

Dance

Run

Cycle

Don't underestimate the importance of eating well and sleep

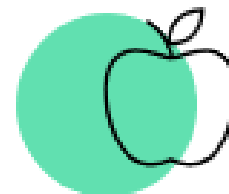

Be responsible

Take control of your learning - Where did I go wrong? Could I try something else?

Get organized - what should I do first?

Set yourself goals - How can I do better next time?

Share your thoughts and ideas - Can I explain what I learned?

Say I can and I will

Don't give up until your proud

Students should

- Respectful online communication is always essential
- Cameras on, microphones muted unless asked to speak
- Adhere to the school's Code of Behaviour, including our Anti- Bullying Policy, Acceptable Use Policy for iPad.
- Work in a suitable learning environment
- Be on time
- Follow instructions
- Be suitably dressed for live classes
- Not record any live classes (video or audio or still photographs)
- Use appropriate classroom language when communicating online
- Be prepared for online classes e.g. have materials, homework, pen, copy ready
- Communicate during school hours Monday – Friday

Teams Call:

Can you:

- Find the Teams call in your calendar?
- Join the call?
- Mute mic and turn on camera?
- Use the raise hand function?
- Use the chat to ask a question?
- Use the tag function?
