Key Learnings/Actions

- Very positive feedback on format of Term Assessment Reports in particular what is going well and what could be better
- PT meeting provided useful insight into how child was doing in school
- Quality of feedback at PT meeting was excellent
- Overall satisfaction at the time length for each meeting
- In person PT meeting is preferable to online
- Mixed feedback on the process of scheduling for PT Meeting. Some found booking process easy, others more difficult. Improvements to be put in place for next time:
 - Student VShare ID to be given to student to remove process of going into two systems
 - Guide and links to meetings (if online) to be available on website for easier access on the day
 - Communication to be issued further in advance to ensure timetable is available week before meeting (dependent on parents/guardians inputting preferences on time)
- Parents/Guardians found teachers to be accessible to talk to if there was a concern
