

April 11th, 2022

Dear parents, guardians and carers,

The Goatstown ETSS Wriggle store is now open for you to purchase your child's laptop and eBooks for First Year 2022. In order for the device to be available for the start of the school year you should order the device **before June 7th**. An additional charge of €50 will be applied to orders after this date, this late fee is payable to Wriggle and is not associated with the school.

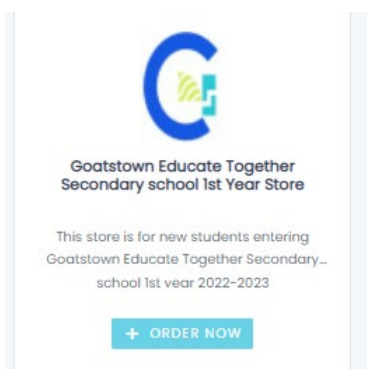

The device we are using for First Year 2022 is a Lenovo 300w with 128GB SSD and 4GB RAM. We have attached the Wriggle parent guide for your information. Please note that the device must be bought through Wriggle as they will customise it for Goatstown ETSS and provide technical support for three years.

In summary, the steps to order your child's device are:

Step 1: Click this [link](#) to go to the Wriggle Online Store Login page

Step 2: Enter our school's secure store login code **27483965**

Step 3: Click on the **Order Now** button below the Goatstown ETSS logo

Step 4: Proceed to purchase the device, support services (3yrs) and digital content (school eBooks), everything else is optional. You can choose to pay in full or in monthly instalments over three years. The standard package will cost €812.33 in total or you can choose the three year finance package for €27.45 monthly.

Important note: Wriggle will offer additional items for purchasing on their website; however you only need to purchase the device, support and digital content (eBooks). Please note that the case, insurance cover and additional accessories are your choice and are not a requirement for teaching and learning in Goatstown ETSS.

Step 5: The device will be configured for use in Goatstown ETSS and delivered to your home. Please ensure to save a digital copy of the information sheet for future reference.

Please note that the initial order includes eBooks for our core subjects with the exception of English, which is not available until later in the summer. The eBooks for our optional subjects will be available after the subject trial period in October. We will contact you when the additional eBooks are available for purchase/download.

A schoolbook grant is available to support families who will find the purchase of the device and eBooks particularly onerous. If you would like to apply for a contribution towards this expense, please contact office@goatstownetss.ie, in the strictest confidence, **before May 6th**. We will not be in a position to accept requests for support beyond this date. The amount that we can contribute will depend on the number of applicants. Please apply before you purchase the device and bundle as we will need to issue you with a voucher code to support the purchase of eBooks.

Kind regards,

Matthew Quinn, Deputy Principal
